

Ockwells FloorShield FR

Description:

FloorShield FR (Daltex Flame Retardant Spunbond)

Ockwells FloorShield FR is a nonwoven fabric thermally bonded using a diamond pattern with a 19% bond area. FloorShield FR is used in a variety of applications offering good strength and abrasion resistance properties.

Product Identification: Printed with Ockwells details

Certified to BRE/LPCB LPS 1207 as FloorShield FR: Issue 3 Cert. 726a-x1/01

Technical Details:

Product type: Nonwoven Polypropylene
Material: Mix of Copolymer Polypropylene types
Weight: Approx. 10 kg per 100m²
Colour: Grey
Dimensions: 1 x 100 rolls

Measured Aspect	Test Method	Units	Measurement
Base Weight	NWSP 130.1	g/m ²	100
MD Tensile Strength	NWSP 110.4	N	250
CD Tensile Strength	NWSP 110.4	N	180
Tear Strength	ASTM D1424-07a	N	10

The Technical data on this specification are merely indicative and reflect the properties of Ockwells FloorShield Flame Retardant.

Because of further development of the raw material and the production process changes are possible we reserve the rights make changes to the product without notice.

The description of the technical data and the composition of the product are merely for your information. We accept no responsibility for the completeness of the data and do not accept any claims about the properties described.

The environment in which the product is used may have a great effect on and may change these properties. Before using this product, the purchaser and or user must determine the suitability of this product for its intended use. The purchaser and or user assume all risk and liability in connection with this product.

Issue 2

These properties are the Manufacturers' typical values based on the average of several tests. As the installation and handling of this product is beyond our control the user must ensure that the product is suitable for the application. Ockwells cannot accept responsibility for any loss or damage that may occur either directly or indirectly using this product. Ockwells also holds the right to change specification data without prior notice
