

OCKWELLS

Suppliers of temporary site protection materials and site safety products to the building industry

Floor Protection

Kitchen Protection

Sanitary Ware Protection

Stair Protection

Door Protection

Adhesive Tape

Internal Protection

External Protection

Safety Products

Eco Products

Ockwells is a leading supplier of Temporary Site Protection including protective coverings for Floors, Kitchens, Sanitary Ware, Doors and Stairs both internally and externally. We also supply an extensive range of Site Safety Products. Damage to high specification finishes are costly to repair or replace and this can lead to contract delays, our products are designed to protect materials and finishes in construction projects until the building is handed over at completion.

Protecting your investment
